CMA® Scholarship Program

Overview

CMA® (Certified Management Accountant) is the gold standard of certification in management accounting. It is unique among professional and academic credentials, designed specifically for accounting and financial management professionals in business. Achieving the CMA designation demonstrates professional expertise in financial planning, analysis, control, decision support, and professional ethics – essential skills sought after by successful organizations and their financial team leaders.

IMA® (Institute of Management Accountants) is committed to supporting the education of future accounting and finance professionals working in business. As part of this effort, IMA has instituted the CMA Scholarship Program which honors top students by recognizing them with this scholarship.

Recipients of the CMA Scholarships will receive a comprehensive package of benefits enabling them to study for and take the CMA exam at no cost. The benefits include:

- IMA membership for up to 3 years while pursuing completion of the CMA exam
- Entrance fee to the CMA program
- Exam Support Package – an assessment tool that can help assess the content covered on the CMA exam
- Registration fees for the first attempt at both parts of the CMA exam
- Wiley CMAexcel Review Course - comprehensive online materials for both exam parts **(U.S. students only)**

The CMA Scholarship is activated at the time a nominee joins IMA and registers for the CMA Program. The scholarship recipient has up to 3 years to successfully complete both parts of the CMA exam.

Eligibility Requirements

IMA is pleased to offer the CMA Scholarship opportunity to up to 10 of your students who are interested in pursuing CMA Certification. This includes both undergraduate and graduate level students in accredited accounting or business programs. Multiple faculty members can submit nominations but the limit is 10 per school, per academic year.

Students in both U.S. and international accounting and finance programs are eligible to apply. For undergraduate programs, there is a preference that students completing the junior (third) year of their program be nominated for the award. Undergraduate and graduate level scholarships are awarded based on faculty nomination.

Acknowledgement of Scholarships

In addition to the benefits mentioned above, faculty will be provided with soft copies of CMA scholarship certificates to share with students that attest to their selection as recipients of CMA scholarships. It is IMA's expectation that schools will present these certificates to the scholarship winners at award program ceremonies or any other appropriate recognition events.
